

RED RAIDER CLUB

2010

TEXAS TECH FOOTBALL PARKING

TEXAS TECH FOOTBALL PARKING

Whether you are an accomplished tailgater or you simply want ready access to Jones AT&T Stadium to cheer on your Red Raiders, parking is an important component of your game-day experience.

Red Raider Club members holding season tickets may request priority parking for football starting at the \$100 Red Raider Scholarship Fund donation level.

REQUEST YOUR PARKING

1. Confirm your 2010 football season tickets are secured.
2. Review the parking map and corresponding minimum donation levels.
3. Complete the attached Football Parking Request form.
4. Enclose the minimum required donation for your #1 choice if you have not already paid this amount for the 2010 Red Raider Scholarship Fund year. (Please note that this is a per space requirement.)
5. Enclose a \$125 parking permit fee (per space). C-1 and C-2 lots do not require the parking permit fee.
6. If you require a C-1 ADA space, please send us a copy of either your ADA hangtag or ADA paperwork.
7. Return your parking request to the Red Raider Club office by May 31, 2010.

C-1/C-2 PARKING NOTE

If you are a Red Raider Club donor of \$4,000 or more, a Stadium Club seat holder, or a suite holder and requesting parking in C-1 or C-2, please complete the parking application. You are not required to pay the \$125 parking permit fee for C-1 or C-2 parking.

ASSIGNING PROCESS

Each parking lot has a minimum required donation level. Lot assignments are allocated based upon priority points provided that the minimum donation has been met for the requested lot.

Although we attempt to assign each donor to their first choice of lot, donors may be assigned to their alternate choice as individual lots fill to capacity. We regret that the Red Raider Club cannot refund donations or parking permit fees once assignments have been made.

The Red Raider Club will accept parking requests, their associated donations, and parking permit fees through May 31. After all parking has been assigned, any remaining spaces will be allocated on a first-come, first-served basis.

PLEASE REMEMBER

1. The deadline for receipt of your Football Parking Request is May 31.
2. You must be a 2010 football season ticket holder.
3. Only donations to the 2010 Red Raider Scholarship Fund count toward parking benefits.
4. Minimum donation levels and parking permit fees are per space requirements.
5. You must list four different lot choices on your parking request form.
6. Please provide an email address so we may notify you of any parking updates.

WHERE DOES MY CONTRIBUTION GO?

All Red Raider Scholarship Fund contributions associated with parking requirements go directly to support academic scholarships for student-athletes in all 17 sports sponsored by Texas Tech Athletics.

Scholarship Fund contributions also make you a member of the Red Raider Club for the 2010 benefits year, which extends through May 31, 2011.

Your \$125 parking permit fee(s) directly supports Texas Tech Athletics general operating budget.

FREQUENTLY ASKED QUESTIONS

1. Is there a limit on the number of spaces that I can request?
No, but minimum donation levels and parking permit fees are per space requirements. For example, if you are requesting two spaces in a \$200 lot, the total amount would be \$650. \$400 of this total is the required minimum donation and \$250 of this total is the parking permit fees.
2. On game-day, are the spaces assigned, or available first-come, first-served?
C-1/RV, C-1 and C-2 are space-assigned lots, while all other lots are area reserved lots. Area reserved lots operate on a first come first served basis for donors possessing the appropriate permit.
3. Can I bring a cooker?
Cookers are allowed. However, if your cooker is towed behind an automobile and/or takes up a parking space, you will need to purchase an additional parking pass for the cooker.
4. If I am not assigned to my #1 choice for parking, is my donation or parking permit fee refundable?
While we try to assign all donors to one of their first choices, some are assigned to an alternate lot based on their requested preference and availability. In these cases, the Red Raider Club cannot refund donations or parking permit fees.

OTHER PARKING OPTIONS

Parking in the immediate vicinity of the United Spirit Arena will be a controlled parking area for the 2010 football season. Parking passes in these areas will be available both on a season and game by game basis.

A parking garage is being planned at the northwest corner of 4th and University. It will be administered jointly by the Red Raider Club and the Texas Tech Alumni Association. Season parking passes will be available.

Details on both of these projects will be forthcoming.
